Attorney General John Ashcroft
U.S. Department of Justice
950 Pennsylvania Avenue, NW
Washington, D.C. 20530-0001

Dear Attorney General Ashcroft:

I write today concerning the Microsoft Antitrust Class Action Lawsuit. I urge you to settle this case as quickly as possible. As a user of technology on a daily basis, I am concerned that technology consumers are suffering the biggest loss rather than those involved in this suit.

I am increasingly alarmed at all of the government regulatory oversight, which will be placed on computer companies. I have never witnessed a settlement where more government intervention and layers of bureaucracy have been the solution.

I urge you to move forward to settlement.

Sincerely,
